

Is Dusk to Dawn Right For My Family?

I am often woken up by my loved one at night.

Yes No

My family member could benefit from more social stimulation.

My family member has a tendency to wander.

My family member needs nighttime supervision, but wants to continue to live at home.

It is more difficult to care for my family member as it gets later in the evening.

If you answered "yes" to any of these questions, please contact Dusk to Dawn at Dodge Park program and find out how we can help families get through the night, not just safely, but enjoyably too! Please open to learn more! or call us toll free at:

Dusk to Dawn

recognizes the dignity and individuality of each person and offers seniors the opportunity to engage in quiet activities, to rest or sleep in a safe and comforting environment.

For less than half the cost of some traditional adult care programs, seniors can enjoy socializing with their peers and experience fun and interesting activities designed just for them.

And families can rest easy, knowing their loved one is well cared for in a safe, supervised environment.

Dusk to Dawn at Dodge Park will help families explore the possibility of tuition assistance through VA benefits and the State of Mass Caregiver Homes program.
