

Dear Nicka, Ben and Carrie,

This is just a short
note to thank you and
your staff for the wonder-
ful things you do every
day for your residents.

I can't get over the
change in my mother (Carolyn)
in the short time she has
been at Dodge Park Rest
Home!

A thousand "Thank
you's" will never be enough
for the wonderful care you
provide. Kudos to all of
you.
