

Dear Dodge Park/Oasis Staff,

As you know, the biggest gift you provided for our family was the joy you brought to Renate in her final weeks. Imagine our delight, then, to receive the beautiful certificate of a tree in Isreal planted in her memory. She would have loved that beyond anything! She was an avid bird and plant lover. That's why Emma drew this card in her honor. The sandpiper symbolizes problem solving and going great distances! Thank you for your generosity!

Love,
The Shrivastava Family
