Dear Oasis Family,

How do we begin to thank our Oasis Family for embracing all of us, but especially Mom, during the past months? Your never ending support remains a source of strength for which we will always remain grateful.

Thank you for the beautiful flowers that accompanied Mom on her final journey. She would have loved them. Also, the tree planted in her memory reminds us that while she is no longer with us physically, she continues to provide support for all of us just as she always did throughout life.

Thank you for keeping us nourished - mentally and physically - during the last part of the journey. When we turned inward, you were there to guide us forward.

With deepest thanks,
Scott, Faith and Bob
