

*A Special thank you to Courtney -*

Thank you so much for all your assistance and managing of Stan's case. I don't know how you do all you are responsible for and for so many residents! Thank you for always taking my calls and guiding me through all the process. You are an angel!

*Dear Dodge Staff -*

Thank you for all your care and kindness you provided for Stanley in the last months of his life. Knowing he was among wonderful people taking care of him, provided us great comfort. Providing nursing home care takes special people and all of you display that love in your work. We are so grateful.

Thank you and God bless.
