

Dear Micha and Staff,  
Words cannot express the wonderful care you gave to my dear sister. Kindness, caring, thoughtfulness and love were shown to her everyday.  
I always felt comfortable while she was in your care. Your hearts reached out to her every day during the 5 years she was there.  
Thank you for everything and also for the beautiful flowers you sent. I have you all in my heart.

Love and God Bless,  
Judy G.
