

***To All:
Many thanks for the kindness, love, and skill
you displayed in the care of our wife, mother,
grandmother and sister Gail.***

To the entire Oasis “Family”;
Our heartfelt thanks for the tree and for the beautiful flower arrangements we received in honor of Gail’s passing. And our sincere gratitude to all, to the entire staff of the Oasis from the administration, to Nursing, Caregivers, Kitchen Staff and Maintenance Staff for the superb care you provided to Gail during her brief residence. We will never forget the skill and the kindness you showed to Gail and to our family during her stay with you. We will never forget you.
