

Memory Care Support Group

**Share, Support, and Learn
as You Care for a Loved
One with Memory Loss**

- Are you caring for someone with Alzheimer's or dementia?
- Dealing with behavior that is challenging, difficult or frustrating?
- Feeling anxious, depressed or stressed?

Caring for a loved one with some form of memory loss is a challenging and often overwhelming task. Our complimentary virtual support group is for caregivers and family members with loved ones suffering from Alzheimer's and dementia. It's a opportunity to share feelings and ideas, ask questions or just give/get encouragement.

We can help caregivers with support, education and strategies to help you learn more about the disease and how to deal with difficult situations. We brainstorm creative solutions for challenging caregiving situations and each meeting is facilitated by a professional trained in Alzheimer's and dementia care.

Meet Dennis Goguen

Dennis Goguen received a Masters of Social Work from the University of Connecticut as well as a Masters of Education from Boston University. He has practiced social work for over 40 years in the public healthcare system and for the past 25 years has worked at Clinton Hospital's Geriatric Medical Psychiatry Unit working with older adults who suffer from progressive cognitive disorders and late life mental health issues. He has also been a caregiver to a loved one with dementia.

Mr. Goguen has been specially trained to lead support groups, has lectured on the subject of memory loss, is a trained social work educator and now leads one of our monthly Caregivers Support Groups.
