Kerry, Ben and Micha,

We would all like to thank you for making the extra mile. We feel so fortunate, to be a part of the family at Dodge Park. You helped us so much, when Mom was at Rehab. You have no idea, what that meant. You have such a special place in our hearts. We know Mom will blossom, now that she's back at home with her friends and wonderful care givers.

God Bless you all,

Nirvin Hughes and Family
